

Leslie Roswell (DIV 03)

My name is Leslie Roswell and I am running for a position on the Lake Limerick Board of Directors. My family has been part of this community since the early 70's. What started out as recreational evolved into being a full-time resident in 2008. I obviously love and care about this community. I became involved with the Compliance Committee 3 yrs. ago in 2018 and currently Chair the committee. I am also serving on the Reserve Study Steering Committee.

A little bit about me, I grew up in West Seattle, moved to Des Moines to raise my 3 great kids. I worked on Seattle's waterfront in various Lead positions for the better part of 30 years in the auto import and distribution industry. During that period, I also served on the negotiating team for Teamster Locals 117 and 174. I also spent about 10 years with Macys Logistics and Operations in Tukwila on the furniture end of things. I became a certified master gardener in 2006, and currently work for Bark and Garden Center in West Olympia.

Lake Limerick has much to offer, no matter your lifestyle. My desire is to see this community grow and thrive.

I'll do my very best in return for your vote!

Thank you,

Leslie Roswell
