

Phyllis Antonsen (DIV 03)

Experience, history.

I have served on the Water Committee since appointed to fill a vacancy in 2010. This background has given me an in depth knowledge of the water system, Department of Health requirements and what is needed in the future.

For seven years I was chairman of the committee and treasurer for two.

I feel I can continue to be a contributing member of the committee.

Thank you for your consideration.
