

Board of Directors Candidate

I am Dean Dyson. I have served on the Board of Directors for the past 3 years and served on the Compliance Committee for the last 2 years. On the Board I have served as Vice President, and I am currently the Secretary. To get a better understanding of all the challenges and activities of our community, I have tried to attend each of the HOA's committees' meetings each month. I spend about 20 hours a week on Lake Limerick business. After the initial learning period, I have gained a good understanding of Lake Limerick's needs and wants. Even though there are always new challenges and things to learn, I feel my experiences, my work ethic, and my wish to keep improving the Lake Limerick Community to make it a great place for the members and my family to live. I feel that I have worked well with the other directors, committee members, Lake Limerick staff, and members. I like to think that I have contributed in a good way to our community over the past 3 years. My main goal in another term would be to work to improve the various areas of communication in the community, such as, between the Board and members and better ways to get emergency notices, like drinking water problems to all members and renters quickly. I still feel that I have something to offer. Therefore, I am asking for your vote for another term on the Board of Directors.
