

Pat Paradise, Board Candidate

My name is Pat Paradise and I'm running for the Board of Directors. I've been a property owner at Lake Limerick since 1973 and have served on the Board and Water committees in the past.

Committed to Transparency:

I have exemplary procedural awareness from having served 14 years on the Pioneer School Board. I am a vocal advocate for transparency, open meetings, member participation, and well documented meeting minutes.

Lake Projects and Volunteering:

I love our community and have committed hundreds of volunteer hours in service to Lake Limerick. For example, I volunteered my time to assist the rebuilding of the Inn's deck, completed an ADA survey of our facilities, assisted with the design for upgrading the Inn's bathroom for ADA access, and I participate in the Lake-Dam committee.

Technical Expertise:

With maintenance, upgrades, and replacements in the Lake's future, I will pursue what is needed to sustain us long-term. My 45 years of commercial construction and project management experience, including being a general contractor, mechanical contractor, and small business owner provides my basis for understanding the needs of our water system, hydrants, and aging infrastructure and assets.

What I hope for:

My hope is to find fair and affordable funding solutions that keep all members able to enjoy what we have. Since 1967, four generations of my family have lived in, and enjoyed, Lake Limerick. I hope to ensure others can offer their family the same opportunity.

Please vote for me, Pat Paradise, and together we can build a thriving and inclusive community.
