

Board of Directors Candidate

I am Dean Dyson. I am applying for one of the open Board of Director positions. I am currently serving on the Board in a position that became vacant in October. That position is up for renewal this April for a three-year term. I previously served a three-year term on the BOD. At present I am the chair of the Greenbelt & Trails Committee and serve on the Hearing Committee. I feel the experiences I have gained by serving on the BOD and other committees has given me a good understanding of Lake Limerick's needs and wants. I feel that I have worked well with the other directors, committee members, Lake Limerick staff, and members. I like to think that I have contributed in a good way to our community. I still feel that I have something to offer. Therefore, I am asking for your consideration (vote) so that I can continue representing the best interests of this truly great community.

Dean A Dyson
