

## **John C. Ingemi – Candidate for LLCC Board of Directors**

First of all, thank you for allowing me to serve you for the last 3 years. I have decided, and I am being encouraged, to seek another term on the LLCC Board of Directors. Although I feel that I have assisted the Board, the committees and the community in moving forward on a wide variety of issues and tasks, I realize that there is still so much more ahead for us to accomplish. Some of the things that I have done over the past 3 years are: I have served as the Board Secretary for a year, the Board Vice President for a year and the Board President/CEO for this past year. During this time, I have not missed a single Board of Director's meeting. I have also served 2 terms as Chairperson of the Compliance Committee; a member of the Architecture Committee and attended most meetings of all the other committees (Greens, Lake/Dam, Water, Greenbelt, Inn, etc.). I have worked on legal issues, security matters, and on the Reserve Study. I have striven to be a resource for all members of the community, including Board Members, Committee members and the membership in general and have tirelessly tried to lead by example in all aspects of the job. I believe that these Board positions, while filled with volunteers, need members who are ready to do the work required to help lead this organization forward, while focusing on the fiduciary responsibility that is primary among the responsibilities. I would appreciate your support.
