Dick also thanked Sharon Hadsall for her service on the Board of Directors of which she served one year as Secretary.

Financial Summary report, it was noted that the first 6 months of year our sales are very slow, the next six months will show improvement.

A motion was made by Dick Sirokman, seconded by Tom Taylor, and passed with no nays as follows: To accept the Consent Agenda as amended to pull the Greens Committee Motion for a Utility Cart and move it to New Business, and to include the approval of all committee minutes, and in particular the Architectural Committee Minutes.

### VI. OLD BUSINESS:

1) Dredging Status, Kelly Evans

Kelly reported that we had a meeting on Monday April 15<sup>th</sup> with Fish & Wildlife, Department of Ecology, Squaxin Tribe, and Mason County Community Planning. The feeling of the meeting was that they seemed to be looking for ways to say no rather then yes. The concerns from all departments will be forwarded to Mason County Planning for compiling and then will be forwarded LLCC.

2) Cart Path Paving, Steve Saylor

Steve presented a proposal for asphalt paving of the cart paths. The proposal will be tabled for next year and included in the F.Y. 2013-2014 Budget. A couple of questions arose; the thickness of the asphalt, and how long will Pave-X honor their bid.

#### VII. NEW BUSINESS

1) Acquisition of superintendent utility cart, Steve Saylor

Steve presented a quote summary for a utility cart for our superintendent along with a lease to own option for 5 years at \$207.00 per month. The question as to whether it is street legal was answered with a yes after Kelly Evans looked up the specs on the internet.

A motion was made by Penny Cory, seconded by Dick Sirokman and passed with no nays as follows:

To approve the purchase of the John Deere utility cart according to the quote and payment schedule as presented.

2) Debris issue at pump house, Steve Saylor

Steve shared photos of the erosion damage at the irrigation pump house along with photos of the solution(s) our crew came up with. He wanted the BOD to know that our staff is very skilled and talented when it comes to solving issues of our community as well as saving us \$10-15K in replacement costs.

3) Committee Chairs

Esther personally thanked our Committee Chairs for their dedication and hard work throughout the year.

4) It was brought to the attention of the BOD that there was an error on the Architectural Minutes.

A motion was made by Dick Sirokman, seconded by Penny Cory and passed with no nays as follows:

To amend the Architectural Minutes to remove the 10'x14' Metal Shed approval from the Selby's, they had requested a fence only, not a shed.
