## **Operations—Jon and Nikki**

- **A good week** was reported by Jon. Comfort food has been served on Wednesdays with good reception, however, food is served only in the bar on Wednesdays, thereby leaving out service to families since children cannot eat in the bar. Hollyanna asked whether we could try reserving a table or two in the restaurant to accommodate families who wish to eat at the Inn on Wednesdays. Paul suggested that we give this suggestion a try for a couple of Wednesdays before making a decision.
- Nikki reported that the staff is working well and that everyone is trained to handle all services. The only difficulty is the POS as there are still some glitches. A question was asked about what is being done and whether there are any options being looked at.

## **Recap of recent events—Adult and Kid's Halloween Parties**

- Hollyanna reported that a number of volunteers backed out the day before the event so she accessed volunteers from the greater community outside of LL (her friends). She said her budget was too small to cover all of the activities she does for the kids so she supplements it with personal funds. The committee said they could support the activities simply by asking for a bit more money.
