LAKE LIMERICK COUNTRY CLUB WATER COMMITTEE Minutes November 9, 2013

November 9, 2013

The Meeting was called to order at 9:00 a.m., by Chair Phyllis Antonsen

Roll Call: Chair Phyllis Antonsen, Treasurer Scott Carey, Members; Steve Saylor, Ken Ayers,

and Brian Smith. Secretary Don Bird is excused.

Employees: Sheila Hedlund

Guests: None

Approval of Minutes

A motion was made by Scott Carey, Seconded by Steve Saylor and passed with no nays as follows:

To approve the Minutes of October 12, 2013 as written

Additions to Agenda: None

Comments from Guests: None

Financial Report

1) Review of October Financial Report

2) Service disconnect status: 12 Accounts paid in full, and 9 made partial payments

3) Edward D Jones account statement was distributed for review.

A motion was made by Brian Smith, Seconded by Steve Saylor and passed with no nays as follows:

To approve the Financials for October 2013 as presented

Water Distribution Manager's Report

1) "Thoughts"

Steve had mentioned giving Christmas gifts to Larry and Joe for all of the work they have done for the Water Department this year. The consensus is to forego the gifts, but to recognize their special team efforts with a letter of commendation and to note this on their performance reviews.

The Water Committee would like to send a note of appreciation for the team work that is currently being shown between our employees and all departments.

2) Steps at well #3b

Steps between the Wellhouse and Booster Pump housing are old railroad ties. In response to a question about the status of the steps at well #3b, Bill said he preferred to wait until next year to redo the steps because he wanted more time to come up with a better design.

Action List: No additions or changes.

Correspondence

1) Forgiveness letters

Excess Usage Forgiveness requests were received from Kathlyn Linke and Douglas Devlin.

A motion was made by Scott Carey, Seconded by Brian Smith and passed with no nays as follows:

To approve the Forgiveness requests from Kathlyn Linke in the amount of \$120.00 and Douglas Devlin in the amount of \$122.00, assuring that the letter makes it clear to the member(s) that this is a one time forgiveness.

Old Business

1) Fiscal Year 2013 – 2014 Budget was approved by the membership @ the October 19, 2013 Semi Annual Meeting.

New Business

1) Capital budget items

Phyllis has asked Bill to go over the list of projects that was presented to the Committee for this year's budget and to prioritize them for our next meeting.

2) Evergreen Rural Water letter

It was the consensus of the Committee to continue our membership with Evergreen Rural Water. Phyllis has asked Bill to inquire regarding the Member Training endorsement for \$150.00 to see what that includes. The Committee has authorized approval contingent on the results of the inquiry.

Announcements:

- Next meeting date Saturday, December 13, 2013 @9:00am
- Employee's party December 16, 2013

Motion to adjourn.

A motion was made by Scott Carey, Seconded by Brian Smith and passed with no nays as follows:

To adjourn the meeting @ 9:38 a.m.

These minutes have not been approved by the Water Committee Respectfully Submitted by: Sheila Hedlund

MOTIONS FOR THE BOARD

A motion was made by Scott Carey, Seconded by Steve Saylor and passed with no nays as follows:

To approve the Minutes of October 12, 2013 as written

A motion was made by Scott Carey, Seconded by Brian Smith and passed with no nays as follows:

To approve the Forgiveness requests from Kathlyn Linke in the amount of \$120.00 and Douglas Devlin in the amount of \$122.00, assuring that the letter makes it clear to the member(s) that this is a one time forgiveness.

November 6, 2013

Lake Limerick Water System November Meeting

The general condition of the water system is good with no concerns as to system pressures or water availability to the customers.

Well Conditions:

Well #1 booster pump is operating with the timer to prevent it from "competing" with the other booster pumps on the system with pressure settings.

Well #2 is still in stand-by and its use will only be required in extreme cases.

Wells #3A and B are down at this time. The signal wire between the reservoir level sensor and the upper pumphouse was installed over the fences and brush. We buried a conduit between the houses and pulled the wire through. I am not sure how, but the sensor now indicates that the reservoir is empty. Jester is coming on the 7th of this month to help me troubleshoot the problem. I disconnected the wire from the sensor end and reconnected it in the same position. I am suspecting that something needs to be reset in the panel,

Well #4 is operating normally.

Well #5 is operating properly.

<u>Well #6</u> is operating properly. The replacement for the depth sensor should be delivered on the 7^{th} or 8^{th} of this month. We will install it shortly after that.

I have the DVD from Arcadia and will put it in the file in the water office. I have still not gotten any information from the State about the original approval of this well, I am suspecting that not much information exists.

Water Sampling:

The monthly routine bacteria samples were satisfactory.

Water Usage:

Water usage calculations indicate a loss of 6.9%. This is a little high because we read meters a day early. The yearly losses are at 4.1% which is very good.

We repaired a leak on Old Lyme Road. This was just a service lateral in the ditch. A big thank you to Larry for operating the excavator.

Customer Concerns:

Steve had 4 utility locates, investigated 2 high water user and had 2 water shut-offs. Steve also had a complaint about "stinky" water. We told the owner to flush his hot water heater and Steve flushed the water mains in that area as a precaution.

There was also a call about the ditch eroding around the meter at a customer's house. We reconstructed the hill and installed a short retaining wall with landscaping timbers to hold the hill in place.

Thoughts:

I spoke with Scot at Backflow Pros and he is interested in purchasing our Backflow Assembly Test Kit. He is out of town for the next 2 weeks and will call when he gets back to make arrangements.

Steve was wondering if it is possible to buy Larry and Joe a Christmas present for all the work they have done for us. I will let Steve and Sheila work out the details.

I received a call from Clearwater Utilities about buying some meters. The board is having a meeting this week and will let us know what they decide.

We had the seasonal workers from the golf course for a couple of weeks and they did a ton of work. They paneled the inside of the booster house at #3, built a nice retaining wall around the wellhead at #6, cleaned the brush away from the fences at all the pumphouses, and a bunch of small jobs that had lingered.

I am preparing a short response to the sanitary survey comments; I will have them submitted well before the deadline.

Jester has one project that he is finishing and the Lake Limerick WSP comments will be next.

William Bernier
