Article III to read:

The Declarant has caused to be formed a Community Club to be known as the Lake Limerick Country Club, a Washington non-profit association. The Articles of

Incorporation and By-laws of said Lake Limerick Country Club shall be binding on the purchasers of any lot or portion of lot in the Tract described in Article I above, and shall be binding on their heirs, assigns, or any future holder. Said Lake Limerick Country Club will be responsible for the care and maintenance of the areas known as "Green Belt Areas" and the recreation areas, as well as for the care and maintenance of the Dam.

Article V to read:

a. No building, garage, patio, outbuilding, mobile home, trailer, fence or other structure shall be constructed, erected, altered, remodeled, placed, maintained or be permitted to remain on said Tract or any portion thereof unless and until three complete sets of plans and specifications therefore, including finished grading plans, plot plan showing location of such structure on the building site, floor and roof plan, exterior elevations, and color schemes shall have been submitted and approved in writing by Lake Limerick Country Club.

b. Lake Limerick Country Club shall have the power and authority to approve or disapprove the plans and specifications; and approval of said plans, specifications and plot plan may be withheld not only because of noncompliance with any of the specific covenants, conditions and restrictions contained in this Declaration, but also by reason of its reasonable dissatisfaction with the grading plan, location of the structure on the lot or building site, the finished ground elevations, the color scheme, finish, design, and proportions, architecture, shape, height and style of the proposed structure or altered structures, the materials used therein, the kind, pitch or type of roof proposed to be placed thereon, or because of its reasonable dissatisfaction with any or all other matters or things which, in its reasonable judgment will render the proposed structure inharmonious or out of keeping with the general plan of improvement of said Tract or with the structures erected on other building sites in the said Tract. Lake Limerick Country Club may, if it so desires, adopt rules governing its procedures for approval or disapproval of such plans and specifications.

c. The approval of Lake Limerick Country Club of any plans or specifications submitted for approval as herein specified for use on any building site shall not be deemed a waiver by it of its right to object to any of the features or elements embodied in such plans and specifications, if or when the same features or elements are embodied in any subsequent plans and specifications submitted for approval as herein provided for use on other building sites.

d. If Lake Limerick Country Club fails to approve or disapprove such plans and specifications and plot plan within a reasonable time after said plans, specifications and plot plan have been submitted to it, it shall be presumed that it has approved said plans, specifications and plot plan as submitted. If, after such plans and specifications and plot plan have been approved, the building, fence, wall or other structure shall be altered, erected or maintained upon the lot or building site otherwise than as approved by Lake Limerick Country Club, such alteration, erection and maintenance shall be deemed to have been undertaken without the approval of Lake Limerick Country Club having been obtained as required by this declaration, and Lake Limerick Country Club shall have the power to require correction of the irregularity or, or enter in, and correct same, and bill for necessary services.

e. Before starting any construction, clearance must also be secured from appropriate Mason County, Washington State, and other governing bodies.”
