

GOLF CART PURCHASE

PROJECT MANAGER: Vern Duggan / Roger Milliman

SCOPE OF PROJECT: To buy 8 electric golf carts, see attached.

We plan to put out a request for purchase in January,2020 and receive the carts in March,2020.

We plan to have at least three vendors.

The cost will be between \$23,000 and \$25,000

The capital budget was approved by the Board and the Association form the funding of the carts.

Once we get the vendors bid in and select a vendor, we will submit our section to the board for approval
