Dear Residents of Mason County;

Mason County Division of Emergency Management (DEM) has upgraded our telephone emergency notification system. It is our intent to use this system to provide timely information and notifications of emergency situations, such as significant flooding, to County residents.

To be included in our emergency notification process, please complete this form and return it to the address above, Attn: Tammi Wright. We will not enter any phone number without having this signed form on file. (If you were to prefer only to receive the emergency notification at one phone number, please circle the single number to be used.)
