Welcoming Committee

November 1, 2020

11am

Attendance: M. Trautman (via phone), S. Klemp, T. Ingwaldson, S. Stoney - Chairperson

This is the FIRST MEETING for the WELCOMING COMMITTEE

The first order of business is to create group norms:

1. We shall Respect one another at all times.
2. We shall use Confidentiality when appropriate and necessary
3. We will keep on Open Mind to ideas, support one another, and follow through with commitments that are made.

T. Ingwaldson brought up the Neighborhood Inventory Assessment Map and explained Certified Emergency Response Teams. This would be a great tool for our Community. As we begin building relationships with new neighbors, we hope to learn what skills and tools they bring to help our community in the event of an emergency. In time, this would be a useful tool as well. We also discussed working with our local fire station, on these and other issues that would be to the benefit of the Lake Limerick community. S. Stoney will bring this up at the next BOD meeting.

We talked about having “refrigerator” magnets as part of the “Welcome Gift Package” (Stoney’s to donate) and at this time our thoughts of important numbers to include would be: OFFICE, WATER #, Inn, Cafe/Pro shop, PUD after hours, 211 (health and human services) and 811 (digging)

We will be looking to create new Welcome letter for packet. And we will also think about how we will “tab” the Welcoming Packet sections for easy reference.

Next meeting Dec. 14, 7pm. Zoom.

S. Stoney - Chairperson
