Meeting Minutes

Call Meeting to Order- The meeting was called to order at 6:36PM by S. Stoney - Chairperson

Attendance: S. Bird, S. Klemp, D. Dyson, and S. Stoney

Approval of Minutes

S. Bird made a motion, and it was seconded by S. Klemp to accept the minutes as presented. Motion passed unanimously.

Old Business

We are still awaiting the letters from both the Lake/Dam and Architecture Committees; we can still move forward with creating the notebooks and add their letters when we get them.

Tabbed Notebook- It's time to start putting the new packets together as a tabbed notebook for easier reading and easier access to subjects. S. Bird offered her help on this. S. Stoney will get the printing started, get tabs created, etc... Our timeline is by mid-March to get these completed and to begin giving them out by April.

Key Points of Introduction - For now, we have decided that our main point is to introduce the Welcoming Committee and ourselves as a person of contact if new member has questions. Explain the Inn and Cafe. Explain how we are an HOA and go over CCR's...reminding them of things like - if they build a shed, fence, etc. that it must first go to the Architecture Committee and explain that process to them. Again, just be the point person for new members so when they have a question, we have the answer for them (or find the answer for them.)

BOD Introduction – We spoke briefly about how this will be a big task. It depends on what platform our website is using and who is in charge of website. We would like to get some pictures up, at least. We will continue to look into this and talk with Board Members and the Office.

New Business

New Members List- List is attached as to who will contact these new members. Our new members list, starting Jan. 2021. S. Stoney, S. Klemp, and S. Bird divided up the list at this time. Each member has already been given the “old” new member packet from Christy, along with the calendar. So, at this

point, we are wanting to make contact with the new members, introduce ourselves, and go over CCR's, Inn and Cafe, and any other questions the new member may have. Our goal is to make them feel welcomed to the Community on a more personal level. We will receive a new list each month and we will divide it up for Committee Members.

New Member List (**and assignments**) for January 2021:

03-240 (S. Bird)

04-011 (S. Klemp)
