## LAKE LIMERICK COUNTRY CLUB BOARD OF DIRECTORS

***Budget Study sessions have been ongoing, audit preparation, compliance issues, and frustration with the length of time to meet milestones was discussed. A new committee is being formed to review by-laws and covenants for possible updates. Community input will be requested for ideas and proposals on possible revisions and member voting.***

### **6. CAM Report: R. Milliman**

- Compliance Status - # properties reported by Division, # properties in the legal process.
- Navy Trestle history & update

***Compliance cases were reviewed for status and resolution. The Navy Trestle project status was reviewed. LLCC has a franchise agreement with Mason County for accessing Mason County owned properties and roads inside LLCC properties. The Navy has requested that LLCC request and obtain an easement directly with the Navy. It is still not known if access will be made available and who will pay for the required water main line relocation. Construction is scheduled to start September 5<sup>th</sup>.***

### **7. Water Report: K. Evans**

***A brief report on the water system was provided by K Evans. Well sites operating normally, less well two. Several identified leaks are scheduled to be repaired next week. Northwest Water Systems is working on the final draft of the State mandated water system plan. The final draft will be provided to the Department of Health for review and comment prior to the LLCC Board final review, editing, and approval.***

### **8. Old Business**

- a. New Board & Committee email addresses – Christy Smith or J. Ingemi  
***New email addresses have been issued for board and committee use.***
- b. Inn Island status – R. Milliman or Chris McMullen  
***The Water Manager has taken the lead role in determining design, scope of work, and costs for repairing erosion damage to the Inn Island. The Water Manager is working with the Mason County Conservation District for design criteria and grant money. It will cost \$12,000 for 60% design documents and permitting by the Mason County Conservation District. A PAR will be written prior to September for board review and a motion for approval. Mason Conservation District has a grant writer on staff.***
- c. Bylaws & Declarations Committee Resolution First Reading – J. Ingemi  
***A first reading of the resolution creating a new by-laws and declarations committee was read and discussed. The final draft will be presented at the next meeting for discussion and a motion.***
- d. Report on Fire Safety Townhall – D. Dyson  
***A town meeting was held at the Inn on fire safety measures that individual homeowners and the community can take to minimize exposure to wildfires. The meeting was well attended. DNR, The Mason County Conservation District, and local fire authorities provided information and took questions from the community. A recording of the meeting is available.***
- e. Dog Park possibility – D. Dyson

## LAKE LIMERICK COUNTRY CLUB BOARD OF DIRECTORS

***A discussion of how and where a new dog park could be implemented. LLCC owns 4 lots that could be utilized for a park or sold to procure funding. Neighbors in the vicinity have been contacted for their input. There was a board discussion both in support of, and in opposition for the possibility of a park. No action taken.***

### 9. New Business

- a. Importance of a Reserve Study – 5-minute overview – S. Saylor

***Director Saylor led a discussion on the importance and status of the reserve study. The current reserve funding rate is only 12% of the funding needed to fully fund the identified maintenance and replacement items in the updated study over the next 30 years. A funding increase from the current \$10 per month per lot contribution to a \$20 per month per lot contribution rate is recommended. An updated reserve study from Reserve Associates is due in September 2023.***
