

## **ATTENTION 2024 LAKE LIMERICK FISHING DERBY PARTICIPANTS**

**The annual Lake Limerick fishing derby is conducted under permit from the Washington State Department of Fish and Wildlife. As such, we are required by Washington law to help both emphasize and control ingress of invasive species into our lake on derby day. We do this by requesting derby participants answer two questions when purchasing a derby ticket; 1) are you launching a boat for the derby (yes or no) 2) if yes, has your boat been in waters outside of Washington state in the last 30 days (yes or no). If the answer to the last question is yes, the individual responsible for the boat must decontaminate it prior to launching in accordance with WDFW defined procedures. We apologize for any inconvenience this requirement may cause but failure to comply could result in future derby's being cancelled by WDFW.**
