

Keith Matches - Lake Limerick Water Committee Candidacy Statement

Education: BS Mechanical Engineering, Washington State University 1981

MBA, U of Washington, 1995

Background: US Navy, Civil Engineering Corp, Public Works, Construction Battalion (seebees)

Boeing: Engineering Liaison, Factory, and Flightline Support.

Reason for applying: A functioning water system is the lifeblood of our community. I'd like to take a role in keeping it operational and up to date now and in the future.
