Lake Limerick Weed Razer® Loan Agreement

Members may borrow a Weed Razer to cut weeds, plants and other vegetation that may be growing in Lake Limerick or Lake Leprechaun subject to the following conditions:

- *Weed Razer shall be returned within 3 days of it being checked out from Lake Limerick Country Club (LLCC) Pro Shop Staff.*
- *It will be returned in the same condition in which it was received.*
- *\$50 deposit (cash / check) is required as collateral prior to the Weed Razer being provided to the Borrower. If not returned, Borrower is responsible to reimburse LLCC the replacement value of the Weed Razer.*
- *Deposit will be returned to Borrower at the time it is returned to LLCC Pro Shop Staff.*
- *Borrower is financially responsible for any damage to the Weed Razer.*
- *Borrower shall be the only person to use the Weed Razer.*
- *Weed Razer is a sharp tool and can be dangerous. As such, Borrower understands and agrees to hold LLCC harmless for any damage to property or personal injury (including death) resulting from the borrowing and use of the Weed Razer.*

Weeds are to be collected by member and disposed of in the garbage or taken to the dump. Weeds are not to be burned nor set adrift into the lake as this creates future "bio-muck" on the lake floor or piles up on neighbors' beaches. Violation may result in fines and loss of HOA privileges
