

## Equipment Technician

### Overview

Situated on the stunning Olympic Peninsula, just outside Shelton, our Par 72 golf course has been challenging golfers of all skill levels since its opening in 1968. This nine-hole course, featuring multiple tees, offers an engaging 18-hole experience. Renowned for our friendly and relaxed atmosphere, we are currently seeking an Equipment Technician to contribute to all maintenance aspects of the golf course.

### Responsibilities include, but not limited to:

#### 1. *Preventive Maintenance Program:*

- Conduct an effective preventive maintenance program in conjunction with operators to minimize mechanical failures and ensure peak performance of all golf course equipment.
- Keep detailed records of parts and labor for each piece of equipment.
- Place orders for necessary parts and supplies to maintain equipment service.

#### 2. *Safety and Cleanliness:*

- Prioritize safety in all maintenance tasks.
- Maintain a clean, organized, and efficient service area and maintenance building.

#### 3. *Daily Maintenance Assistance:*

- Assist in the daily maintenance procedures of greens, tees, fairways, rough equipment care, irrigation, and other maintenance practices.
- Inspect, diagnose, and repair mechanical problems for all maintenance equipment and golf carts.
- Set heights and sharpen blades on cutting units; perform necessary cuts and welds for equipment and mowing units.

- Mechanical and reel maintenance skills are preferred.

4. *Training and Instruction:*

- Instruct and train golf course maintenance workers on preventive maintenance, proper cleaning, and safe operation of equipment.
- Train staff on the proper use and operation of equipment.

5. *Additional Duties:*

- Maintain an orderly and efficient shop area.
- Regulate employees' use of equipment in the absence of the superintendent and assistant superintendent.
- Perform other duties as directed by the superintendent.

**Qualifications:**

- High school diploma or equivalent required; vocational training or certification in a related field (e.g., turf management, mechanics) preferred
- 3-5 years of experience in equipment maintenance or a related field
- Knowledge of golf course equipment and machinery
- Basic mechanical aptitude and problem-solving skills
- Ability to work independently and as part of a team

**Compensation:**

We are committed to offering competitive compensation for all positions at Lake Limerick Country Club. The hiring range for this position is generally between \$26 and \$28 per hour, exclusive of fringe benefits. Final salaries will be determined based on skills, education, licenses, certifications, and/or experience.

All candidates must be able to pass a background check before starting employment.
