

NEW!

RESIDENT CENTER

Rolling out November 8th

This online portal will provide all of our members access to their account. You will be able to view your payment and charge history, any notices or violations received, contact information, make one-time payments or establish recurring payments. You can also sign up for paperless billing. The Resident Center also allows the office team to communicate via text or email to our members.

Please contact us to update your email address and phone number. You can email us your information: Mail@LakeLimerick.com
You can also call us: 360-426-3581

Here are a couple of important changes you need to know:

- If you have previously established recurring payments, this will end on October 31st.
- If you pay online through the Lake Limerick website, you still be able to do this until **November 30, 2024**.
- All payments will have to be made through the new Resident Center effective **December 1, 2024**. Therefore, it is imperative that you activate your account once you receive the Welcome Letter on November 8th.
- If you generally drop off a check at the office, you may continue to do this, but you'll miss out on the benefits of activating your Resident Center Account.
- A link on the Lake Limerick website will be established and available to direct you to the Resident Center.

Win a \$50 Gift Certificate!
