

LLCC Board of Directors President's Update: Election Information

March 1, 2025

Background:

There is a variety of information on our website, so the goal of this note is to simply try to put all the important information and links in one place!

April is election month for the Lake Limerick Homeowners Association. Members in good standing have the opportunity to run for office and to elect three of your neighbors to serve on the Board of Directors (BOD), and two on the Water Committee, each for 3-year terms.

The BOD is responsible for developing and implementing a budget providing Association services to the community, and working with volunteer committees, staff and members to improve Lake Limerick's quality of life. The Water Committee is specifically charged with developing guidance and recommendations necessary for providing safe and high-quality drinking water for the more than 1200 residences in our community.

These are important positions. Your vote is important to select and endorse the candidates we ask to volunteer their time and skills in service to the community.

Dates To Remember:

Members in good standing should start receiving their ballots at their registered mailing address on approximately March 28th. Ballots need to be received by the office at 5pm on April 18th. Your ballot will have the complete information.

**Candidates will have the opportunity to speak at
"Meet the Candidates"**

on Saturday, March 29th at 9:00 -10 a.m.
