

A photograph of a space shuttle launching at night, with a large plume of smoke and fire. The shuttle is positioned in the center of the frame, with its tail fin visible. The background is a dark, cloudy sky. The text "New Website Launch" is overlaid in white, sans-serif font, centered horizontally and slightly above the middle vertically. Below it, the text "Coming soon" is also in white, sans-serif font, centered horizontally and slightly below the middle vertically.

# New Website Launch

Coming soon

# Why do we need a new Website?

- Hard coding in our current site limits our ability to update, so we cannot run the latest version of WordPress or update any plug-ins.
- Our new site can easily be updated by our Webmaster, and any security updates to the site or plug-ins can be accomplished in real time.
- We wanted to make communication to our members, and to the general public, in a clear, inviting, positive tone.
- We also wanted to improve the search capability so that information is readily available.

**Use the menu to the left (or below on a mobile device) to access Board and Committee Minutes, Financial Reports, and other reports related to the operation of the Lake Limerick Country Club.**

The Association holds two semi-annual general meetings:

- **April** – includes the election of Board members
