Dear Community Members,

We are excited to announce the opening meeting for the Lake Limerick Players! As we begin a new season of storytelling and performance, we invite you to join us on **January 15th** at 4:00pm in the **Crow's Nest**.

During this meeting, we will:

- Introduce our team.
- Reveal our 2026 production title and plot.
- We will be hosting table reads and start our outline for our Summer Murder Mystery to get the creative juices flowing.

We look forward to seeing new and familiar faces alike.

Sincerely,

Richard Allen
