## Summer in the Parks: Inn Island Opening & Key Reminders

Great news: The Club House Park at The Inn island officially opens for foot traffic on June 15th! To ensure all our private parks remain secure and enjoyable for all residents this summer, here are the park updates and key reminders to help us maintain a fantastic summer season.

### Meet Our Summer Park Team

Our dedicated team of Park Hosts and Park Ambassadors are here to help. After a successful trial last year of the Park Ambassador, we expanded this role to two full-time positions. While hosts and ambassador roles are similar, they work together in slightly different ways to keep our outdoor spaces beautiful and welcoming.

Both roles help members understand and follow park guidelines, keep an eye on park activities, gently address any behavioral issues to ensure a peaceful environment, and coordinates directly with the LLCC staff or Lake Patrol as needed for any specific incidents that require extra assistance. Park Ambassadors act as a roving support system, visiting all parks and assisting Park Hosts where active at specific parks.

Please give a warm welcome to our team when you see them:

- **Volunteer Park Hosts:** Our amazing volunteer hosts will be stationed at two lakeside parks, working midday to dusk Fridays, Saturdays, and Sundays:
  - **Anglia:** Janet
  - **Log Toy:** Mark and Anita
- **Park Ambassadors:** Diana and Ed will serve all member parks 7 days a week.

**We are looking for additional friendly faces to join as volunteer park hosts!** If you or someone you know is interested in a rewarding gig with a beautiful summer view and fun amenities (this year or future summers), check out the [park host details](#) on the LLCC website.

### Friendly Park Reminders

- **No Fireworks:** For the safety and comfort of everyone, fireworks are strictly prohibited in all parks.
- Please keep your member ID or Park Guest Pass handy! Our hosts and ambassadors will be checking for proof of membership to ensure our private facilities stay reserved for LLCC members and their guests.
